Medical Specialties

Dental Specialties

Pharmacy Programme

Healthcare Sciences

Welcome to Oriel

Oriel is the UK wide portal for recruitment to postgraduate medical, dental, public health, healthcare science and pre-registration pharmacy training. Applicants will use Oriel for all stages of the recruitment process.

If you are planning to make an application and have not yet registered on Oriel, please click on one of the options in the 'Applicant' area to view the relevant information.

If you are visiting Oriel as an assessor please select the option in the 'Not an applicant' area.

Welcome to Oriel

England and Wales

England and Wales

IMPORTANT: Oriel applications for Pharmacist Foundation Training will open on Wednesday 4th June 2025 at 12:00 BST and close on Wednesday 18th June 2025 at 12:00 BST.

A full list of the programmes for both vacancies will be available to view from June via the Oriel system by selecting the Pharmacy Programme option from within the pharmacy staff group.

IMPORTANT: Late applications will not be accepted under any circumstances.

The Pharmacist Foundation Training Recruitment Applicant Handbook 2025 (2026 intake) will be available to view from May 2025. We would advise all applicants to refer to this document throughout the application process. The handbook can be found in the 'Resource Bank' section of Oriel.

IMPORTANT: We strongly advise that you read the Person Specification, Job Description and Professional Attributes Framework before starting an application. All of these documents can be found on the England and Wales Foundation Trainee Pharmacist Recruitment website.

The England and Wales Pharmacist Foundation Training Recruitment website is updated regularly with the latest application information; we recommend that you visit this regularly to ensure you keep up to date.

Scotland

Applications for Pharmacist Foundation Training Year (FTY) in Scotland will open on Wednesday 4th June 2025 at 12:00 BST and close on Wednesday 18th June 2025 at 12:00 BST.

The scheme offers trainee pharmacists in Scotland a unique and broad experience covering hospital, community and primary care practice. The purpose of the FTY is to ensure that every trainee pharmacist funded by the NHS in Scotland receives support and a high-quality training opportunity and experience, regardless of practice setting.

Training Provider information can be found under the Scotland vacancy in the 'vacancies' tab and by following [this link](#).

For further information on these posts, including details of the recruitment process please visit the FTY recruitment pages of the [NES website](#). This website is updated frequently throughout the year.

IMPORTANT: Please fully review the NHS Education for Scotland FTY Applicant Guide before applying. This includes the Person Specification, Job Description and Professional Attributes Framework.

Information on how to contact the recruitment team can be found on the FTY recruitment pages of the [NES website](#).
